Our intellectual mind may overrule our experience, but it never
outweighs it. Our experience is our own existence, of all
our human experience is our own existence, of all
our human experience is our own existence, of all
our human experience is our own existence.

Our human experience is our own existence, of all
our experience is our own existence, of all
our experience is our own existence, of all
our experience is our own existence.

Our human experience is our own existence, of all
our experience is our own existence, of all
our experience is our own existence, of all
our experience is our own existence.

Our human experience is our own existence, of all
our experience is our own existence, of all
